CONFERENCE CORNER

DR. EMMETT FLOYD

As my tenure as Conference Minister rapidly draws to a close, I find myself evaluating these 7½ years. There is much I would have liked to have seen done better. But there is also occasion for some satisfaction in what has been accomplished.

At a recent meeting of Smaller Membership Conferences, which Moderator James L. Myers and I attended, Dr. George Otto of the Stewardship Council shared some OCWM statistics with the group.

James and I were surprised and pleased to learn that the Southeast Conference led all the Conferences in the United Church of Christ in per capita increase to OCWM over the last five years. Our percentage increase was some 60% during this period. This shows that our churches are committed to the work of the whole Kingdom of God.

We need to insure that we continue to challenge our people to a vision of stewardship and service, and that we wisely utilize the resources our people provide.

We also continue to be one of the few conferences whose total membership is growing. However, we all know we can do better.

Let us make those plans, devise those programs, reach those people, enlarge that vision, and increase the dedication of all our members. In this way, we can be faithful to our rich heritage and responsive to our challenging future.

God help us so to do.

EVANGELISM CONFERENCE POSTPONED

The Rev. James Norris of Huntsville, AL, who chairs our Evangelism Committee, has announced that the Evangelism and Church Growth program planned for November has been postponed until the spring. The Board for Homeland Ministries has some problems of illness and depleted staff that make this fall difficult. Rev.

Alan Johnson will continue to work with us and provide leadership as we plan for a conference next year.

STEWARDSHIP CONSULTATION

A special Stewardship Consultation for the churches in our Conference is being planned for the next two years. The first one will take place on Saturday, October 31, at the Pleasant Hill Community Church near Crossville, Tenn.. While the churches in Tenn. are especially invited, any church in the Conference is welcome to register.

The pastor and 2 or 3 lay leaders are asked to participate in planning how to better understand and strengthen the stewardship program in the local church. We are fortunate to have the leadership of Rev. Milton Gockley of the Stewardship Council in this important program. Don't miss it!!!! (There, or when it is closer to your area in the next year or so).

INSTALLATION SERVICE, NASHVILLE 1ST E & R

The Rev. Robert J. Kurtz will be installed as pastor and teacher of the First Evangelical and Reformed Church, UCC, in Nashville, Tenn.. The service is set for October 11th, at 4:00 p.m. CDT. Jones Chapel Congregational Christian Church UCC, will dedicate their new Christian Education Building during the 11:00 o'clock worship service Sunday, Oct. 25th. "Job Club of Meriwether County" and a Brownie Troup will begin soon.

The building is handicapped accessible, which presents a welcome to all of God's children. Excitement is flying high, as evidenced by the donations received during Homecoming Service on Aug. 23, -- over \$13,000 toward the Building Fund! You are all invited to share in this celebration!

We congratulate Rev. Wayde Washburn and the congregation on this very fine addition to their church.
